MRD HOME

Our philosophy is simple: if it's modern, beautiful and made for interiors, we want to bring it to you. We're passionate about curating lighting that excites and designer lighting pieces that spark emotion and elevate contemporary spaces. We believe less is more. That's why we offer a thoughtfully edited collection of standout designs rather than a crowded catalogue of the ordinary.

MRD Home began in a humble kitchen in 1992, where the founder crafted wire and paper lamps by hand. That spark quickly grew, and soon MRD was lighting homes and spaces across Australia and beyond. Today, we continue to deliver furniture, textiles, accessories and lighting with a distinct modern edge.

Z A F F E R O

Renowned for its distinctive industrial aesthetic, Zaffero celebrates the raw beauty of authentic materials through expertly hand-crafted lighting. At the heart of every Zaffero creation is a collaboration between design innovation and artisanal skill. No two lights are exactly the same — each one a unique expression of texture, form and craftsmanship that brings genuine warmth and personality to any space.

From atmospheric lighting for bars, cafes, restaurants, hotels, and retail spaces, to striking centrepieces for bespoke residential interiors, the Zaffero collection is as bold as it is beautiful.
