INDOOR & OUTDOOR EDIT  
VOL.4 | 2025

# Welcome

Step inside Volume 4 of our Satara Edit. This year, we continue to celebrate texture, craftsmanship and design integrity across every piece.

## NEW RUG COLLECTION

Among the highlights is the launch of our new rug collection, each handwoven from premium New Zealand Wool, offering rich texture, warmth, and enduring quality.

## UNITED STRANGERS

We're also proud to welcome United Strangers to the Satara range, offering a bold, eclectic edge to our collection.

## ECO-FRIENDLY COLLECTION

In our commitment to sustainable living, we're proud to introduce a new eco-friendly range made from recycled plastic bottles including the Mossi, Essence (ES), Positano and Earth range. A reflection of our dedication to a more conscious future.

This edition reflects a bold new chapter for Satara. One that embraces creativity, craftsmanship and design excellence, while staying true to our ethos of relaxed, luxury, living.

# United Strangers

Established by New Zealand furniture designer Logan Komorowski, we are proud to introduce United Strangers, a brand renowned for its eclectic fusion of old and new design. Their high-quality, ethically sourced pieces showcase a masterful interplay of materials, from travertine and marble to timber, stainless steel and leather. Bridging the gap between tradition and innovation, United Strangers offers standout furniture that seamlessly fits into a variety of spaces, including hospitality, co-working environments and the F&B sector.
