Outdoor Collection

Designs that capture
the uniqueness
of quality materials
and blend tradition
with innovation.

The Outdoor Collection 2025 pays tribute to the unique quality materials and the artisan techniques that transform them into designer pieces. Pieces that collect memories over time and express them in every grain, every knot and every individual nuance.

Premium Collection

Galea

Designed by Made Studio for Kave Home, it is a tribute to craftsmanship and timelessness, where the warmth of solid teak wood and hand-woven synthetic rattan combine to create pieces that evoke tradition and modernity.

An expression of the balance between
meticulous lines and functionality.

The image shows two modern, round cement tables with a glossy finish. One table is olive green and the other is white. They are placed on a light-colored, rectangular tiled floor. In the background, there is a swimming pool with blue water and a metal grate edge. The scene is brightly lit, casting soft shadows from the tables onto the floor.

Premium Collection

Albanella

A collection of round cement tables with a glossy finish that brings dynamism and sophistication to indoor and outdoor spaces.

Combined, these tables create
a sophisticated staircase effect.

Premium Collection

Turqueta

Designed by Made Studio for Kave Home, Turqueta combines a solid teak wood structure and tailored textiles in a collection with contemporary lines.

The marked horizontal nature of its design projects comfort and serenity.

Premium Collection

Icaro

Icaro pays homage to solid teak wood with simple designs that bring personality, warmth and comfort to indoor and outdoor spaces.

Inspired by Japanese structures
with wood as the protagonist.

A high-angle photograph of a modern outdoor lounge area. On the left, a wooden deck made of teak planks features a small wooden table with a drink and a lounge chair with light-colored cushions. To the right, a swimming pool with a dark blue liner is visible. In the background, the ocean stretches to the horizon under a clear sky.

Premium Collection

Tirant

With solid teak wood as the protagonist, this collection featuring simple shapes creates spaces that encourage relaxation, closeness and connection with nature.

Simple shapes full of identity inspired
by Japanese structures.

Lighting

To light up your evenings outdoors and accompany the starry summer skies, we present a range of lamps with structures designed to let light through and project an enveloping shadow effect.
