

 SATARA

INDOOR CATALOGUE

Volume 6 | 2026

Welcome

Step inside Volume 6 of our indoor collection. This year, we continue to celebrate texture, craftsmanship and design integrity across every piece.

Among the highlights is our [new rug collection](#), each handwoven from premium New Zealand Wool, offering rich texture, warmth, and enduring quality. We're also proud to welcome [United Strangers](#) to the Satara range, offering a bold, eclectic edge to our collection.

This edition reflects a bold new chapter for Satara. One that embraces creativity, innovation and design excellence, while staying true to our ethos of relaxed, luxury, living. Arriving alongside it is our Autumn/Winter 'Mosaic Collection' a celebration of individuality within a collective whole, where warm timber tones, textured upholstery and sculptural forms come together in a layered, lived-in dialogue that feels as playful and intentional.

Luxury

Comfort and enjoyment lie at the centre of luxurious design. We believe in designing pieces that create an honest space. Where luxury is found in the simple moments of feeling good and enjoying the space you've created.

A way of life becomes a way of living as texture, colour and feelings merge. Texture, colour, and emotions evoke serendipitous moments, which we believe are an integral part of good design.

Satara's New Rug Collection

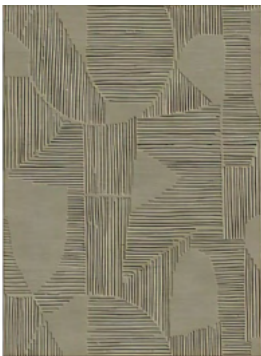

Each of our rugs is made entirely by hand thoughtfully woven, knotted or loomed by skilled artisans whose craft has been passed down through generations in Bhadohi, the heartland of handmade rugs. Every rug is a labour of love, brought to life through many careful stages, each demanding incredible skill, patience and attention to detail.

We're proud to honour this rich heritage by preserving traditional techniques while blending in modern design sensibilities. The result is a rug that beautifully balances style, quality and lasting durability a true investment piece, designed to live with you for years to come.

Perfectly oversized design
that works for all Satara Sofa
configurations.
